CASE NO. 8:25-cv-01329-FWS

**SKYWORKS SOLUTIONS, INC.,  
AND SKYWORKS FILTER  
SOLUTIONS JAPAN CO., LTD  
NOTICE OF MOTION AND  
MOTION TO DISMISS  
PLAINTIFF'S COMPLAINT**

11                                   **DECLARATION OF BRYAN JARRETT IN SUPPORT OF**  
12                                   **DEFENDANTS' MOTION TO DISMISS PLAINTIFF'S COMPLAINT**

13       I, Bryan Jarrett, hereby declare the following:

14               1.     I am over the age of 18, am an attorney licensed to practice in the  
15       state of California, and have been employed in the legal department of Skyworks  
16       Solutions Inc. since 2019, first as Senior Corporate Counsel and currently as  
17       Associate General Counsel. I work at Skyworks Solutions, Inc.'s headquarters in  
18       Irvine, California. The statements in this declaration are based upon my personal  
19       knowledge, my review of corporate records maintained in the ordinary course of  
20       business, or information provided to me in my role as Associate General Counsel.

21               2.     On September 18, 2025, I was in my office in Irvine when I was  
22       notified that an individual was present in the lobby seeking to deliver documents.  
23       I proceeded to the lobby and met with the individual, who identified himself as a  
24       process server working for DENSO Corporation ("DENSO"). The processer  
25       server informed me that he first sought to serve CT Corporation, but arrived after  
26       CT Corporation had closed for business for the day and thus failed to serve anyone  
27       at that location. The process server then handed me a set of documents, which I  
28       later identified as a copy of the summons and complaint in this matter.

1           3. I am not employed by or otherwise authorized to act on behalf of  
2 Skyworks Filter Solutions Japan Co. Ltd. ("Skyworks Japan"). I am not an  
3 officer, managing agent, general agent, vice president, secretary or assistant  
4 secretary, treasurer or assistant treasurer, controller or chief financial officer,  
5 general manager, the president, or chief executive officer of Skyworks Japan. I  
6 am not an agent authorized to receive service of process on behalf of Skyworks  
7 Japan. Nor have I been appointed by law or otherwise to receive service of  
8 process on behalf of Skyworks Japan. At no time did I state to the process server  
9 that I was authorized to accept service of process on behalf of Skyworks Japan.

10           4. Instead, I accepted the documents that were handed to me solely in  
11 my capacity as an employee of Skyworks Solutions, Inc., and in no other capacity.  
12 In particular, and without limitation, I was neither acting as an authorized agent  
13 for service of process for Skyworks Japan nor had any authority to do so. Nor did  
14 I hold myself out as affiliated with Skyworks Japan in any way. Indeed, prior to  
15 reviewing the summons and complaint, I had had no prior reason to investigate  
16 Skyworks Japan's involvement in this lawsuit.

17           5. Based upon my work to prepare this declaration, I now understand  
18 that Skyworks Japan manufactures the front-end silicon wafers that contain  
19 microscopic resonator components ultimately used in BAW filters. I further  
20 understand that Skyworks Japan sells all of these front-end silicon wafers to  
21 Skyworks Global Pte. Ltd. in Ang Mo Kio, Singapore ("Skyworks Singapore"),  
22 which performs back-end manufacturing to turn the hundreds of resonators  
23 printed on each of the wafers into individual, packaged, and tested BAW filter  
24 chips, in its Singapore facility. I understand that Skyworks Singapore then ships  
25 the BAW filter chips to a facility in Mexicali, Mexico operated by Skyworks  
26 Solutions de México, S. de R.L. de C.V. ("Skyworks Mexico"), which then  
27 assembles the BAW filter chips together with many other components that  
28

1 perform many other functions into integrated front-end modules (“FEMs”) in its  
2 Mexicali facility.

3 6. I understand that original design manufacturer (“ODM”) customers  
4 in Asia purchase FEMs once completed by Skyworks Mexico and, from that point  
5 onward, they are not owned by any Skyworks entity. I understand that the  
6 completed FEMs are shipped to ODM customers in Asia, with Japan and South  
7 Korea being the primary destinations, followed by Malaysia, China, Singapore,  
8 Hong Kong, and Taiwan.

9  
10  
11 I declare under penalty of perjury under the laws of the United States that the  
12 foregoing is true and correct.

13  
14 Executed in Irvine, California this 5th day of January 2026.
